

TITLE V - PART III-B-2 (ACTIVITIES FORMS)

APPLICANT:

(code + school district or agency)

TITLE V- PART III: B-2 FY2006 Program Proposal

1. Describe the locally identified needs that the proposed program will address.
- 2-A. Describe the programs and activities that the district plans to implement based on the needs assessment.
2-B. Describe the reasons for their selection.
3. Describe how parents, teachers, administrators, and other groups the district considers appropriate have been and will be consulted with during the planning, design, and implementation of Title V programs.
4. Describe how the products/services funded by Title V will contribute to improving student academic achievement or improving the quality of education for students.
5. Describe the methods of evaluation that will assess the effectiveness of the Title V program and will include information and data on the use of funds, types of services furnished, and students served through Title V.
