

**Name of Grant Program:** Safe Schools Program for Gay and Lesbian Students

**Fund Code:** 194

**PART III - REQUIRED PROGRAM INFORMATION**

Please answer all questions, using no more than four (4) pages.

1. Describe the current level of implementation of the Board of Education's Recommendations on the Support and Safety of Gay and Lesbian Students. Include information on: any training provided to staff as it relates to a gay/straight alliance or other group that supports diversity and equity for all students; updated nondiscrimination policies; counseling services; parent programs; or any other programs, initiatives, or activities that support gay and lesbian students as well others who may be affected by racism or homophobia. Please indicate when each of the above activities and services were initiated.
2. Describe the plan and the kinds of activities that will take place using this funding. Who will be responsible for coordinating each activity? How many students and/or faculty do you expect to participate? Include a timeline for completion. What are the expected results? How will the effectiveness of the program be evaluated? **All expenditures identified on the budget detail pages must be explained in the plan.**
3. Describe how the school will integrate programs supporting gay and lesbian students into other violence-prevention and health promotion programs, activities, and initiatives.
4. Provide the contact information of the person who will coordinate the activities of this grant, including: name; title; mailing address; phone number; and email.

**Note:** Proposed workshops and training content identified under #2 are subject to approval by the Department of Education. Funded applicants will be required to submit a detailed description of planned workshops and trainings.
