Scored at Warning/Failing or Needs Improvement on <u>Mathematics</u> MCAS										

**\*Use 2006-2007 School Year 21<sup>st</sup> CCCL Enrollment Data and 2007 MCAS Data**

Target Population includes groups of students who have not made AYP and those that have scored in the needs improvements or failing/warning categories on MCAS, as well as other hard to reach populations (e.g., students who receive free and reduced lunch, students who receive special education services, students who are limited English proficient, etc.).
