***Pathways Initiative FY2010 Collaboration Agreement  
 Between Higher Education Institutions, One Stop Career Centers, and Other Partners***

*Complete the following chart to indicate the higher education institution's, One Stop Career Center's, and any High School's or Community Partner's commitment to collaborate in the 2009-2010 (FY2010) Pathways to Success initiative for transitioning older youth.*

**Introduction:** During FY2010 (9/1/2009-8/31/2010), institutions of higher education, One Stop Career Centers, high schools, and other community partners will again have the opportunity to blend academic enrichment, work experience, and additional supports to help transitioning older youth establish viable pathways for their success. These services are targeted to young adults who wish to receive their Competency Determination to ensure their future success in higher education, high performance workplaces, and responsible citizenship.
