***Use 2007-2008 School Year 21st CCCL Enrollment Data and 2008 MCAS Data**

Target Population includes groups of students who have not made AYP and those who have scored in the needs improvements or failing/warning categories on MCAS, as well as other hard to reach populations (e.g., students who receive free and reduced lunch, students who receive special education services, students who are limited English proficient, etc.).
